

PRESIDENT MOUL: Thank you, Senator Moore. Senator Schimek.

SENATOR SCHIMEK: Yes, Madam President and members of the body, I, too, rise in support of this resolution and, like Senator Crosby, I presently have a son who has been at the university for a couple of years and has just transferred to Southeast Community College this semester and he is finding it a very good environment and seems to be happy with what he is taking. And I would like to just say that I think that a lot of the accomplishments of the community college system are due to the leadership of Dr. Eicher. He is a quiet man but a very professional man and I think has had a lot to do with the growth of the community college system in the State of Nebraska. So I would just offer my congratulations. Thank you.

PRESIDENT MOUL: Thank you, Senator Schimek. Does anyone else wish to speak to this resolution? Seeing none, we will vote on the motion to adopt LR 431. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.
